

HULETT'S LANDING POST OFFICE 12841 - October 2012
The peak colors are here, the leaves are beginning to fall, we've had our first frost and many houses are now closed up for the Winter. I miss the laughter and summer life that goes on around me. My summer seemed to fly by. Thank you to so many of you for your prayers, cards, support and cheerful greetings during my treatments. I am holding my own and feeling pretty good. My husband and I are focused on enjoying each day we have. Thank you also for your continued support of this Post Office. Keep up the good work! Jennifer joins me in wishing you Happy Holidays, a healthy and happy New Year followed by your return in the Spring. Please take care. *Pam*
