HULETTS LANDING VOLUNTEER FIRE COMPANY PO BOX 59 • HULETTS LANDING, NY 12841

Our Fire Company Budget was presented to the Town Board at their March Meeting. This past year our expenses approximated \$57,000; almost \$30,000 over the budgeted allocation from the Town of Dresden. IT IS YOUR CONTRIBUTIONS that keeps us going.

Our Fire Boat is finally operational. It was donated to us by FR Smith Marina in Bolton Landing. The Whitehall Fire Department donated 4 inch hose for areas where we can't get our fire engines within 30 feet of the lake. Our fire boat can now pump almost 600 gallons of water a minute to our fire engines.

Congratulations to Bill Clough and Tina Bennet for completing 180 hours of EMT Training. They attended ADK Community College in Ticonderoga; giving up Saturdays and working six hours online every week. After becoming Certified EMTs, they took Fire Engine 372 to Ticonderoga for a weekend to become Certified Emergency Vehicle Operators.

Please give us your generous support so that we may continue to provide a vital service to this community.

Thank you again for continued support,

The Members of the
Huletts Landing Volunteer Fire Company
