**\$50.3 million awarded to 84 Projects**

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
19712	Albany	Albany College of Pharmacy and Health Sciences	Albany College of Pharmacy and Health Sciences Facility Upgrade	Albany College of Pharmacy and Health Sciences will upgrade its laboratory facilities for student and research use, including installation of precision instrumentation.	ESD	\$150,000
17823	Albany	Albany County	Albany County Rail Trail Development Project	Albany County will construct the 9-mile section of the Albany County Rail Trail it acquired in 2008, linking the Town of Bethlehem to the City of Albany in the process. Construction will include repairing damaged culverts, and deteriorated bridges and infrastructure acquired from Delaware and Hudson Railroad. Plans for the Trail include linkages to the City of Albany Riverfront, the City of Cohoes and Rotterdam Junction, resulting in over 50 miles of continuous bike-hike trails.	Parks	\$500,000
16897	Albany	Albany Medical Center	Park South Mixed-use Redevelopment	Albany Medical Center will initiate the Park South Mixed-use Redevelopment project, which includes improvements to streets, sidewalks, curbs, pedestrian crossings, street trees, water and sewer mains and other utility lines to prepare a two-block area.	ESD	\$500,000
17778	Albany	Capitalize Albany	Blight to Betterment	Capitalize Albany Corporation will rehabilitate nine abandoned properties in the City of Albany. The award will be combined with Community Development Block Grant (CDBG) and Neighborhood Stabilization Bond funds to rehabilitate 23 residential units.	HCR	\$200,000
18656	Albany	City of Albany	Greening the Quail Street Corridor	The City of Albany will use GIGP funds to improve water quality and reduce runoff by incorporating bioretention, permeable pavement, and stormwater street trees throughout the Quail Street Corridor.	EFC	\$1,795,500
18790	Albany	City of Albany	Albany Waterfront Performance Place and Livingston Landing	The City of Albany will redevelop the Albany Waterfront Performance Place/Livingston Landing to include the design a state-of-the-art covered stage, improvements to the existing 800-seat amphitheater, and docks at Albany's Corning Preserve.	DOS, ESD	\$950,000
17026	Albany	City of Albany Industrial Development Agency	TMG NY Albany I LP	Renovation of a 179-unit affordable senior housing development, upgrading units and building systems with energy efficient appliances and systems, and accommodating various types of supportive services (e.g., on-site health services, transportation, accounting) to allow the senior population to have a more productive lifestyle.	ESD	\$11,500,000
18025	Albany	College of Nanoscale Science and Engineering	Zero Energy Nanotech Building (ZEN)	The SUNY College of Nanoscale Science and Engineering will design a 100,000 sq. ft. zero net energy building at its Albany campus. The project will incorporate high efficiency and renewable energy technologies.	NYSERDA	\$1,000,000
17759	Albany	Fuller Road Management Corp.	Smart Cities Technology Innovation Center SCiTi at Kiernan Plaza	The Smart Cities Technology Innovation Center (SCiTi) project will reuse Kiernan Plaza to attract high-tech firms by establishing co-location opportunities in a downtown setting and support for companies conducting research at CNSE's Nano Tech Complex.	ESD	\$4,000,000

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
17573	Albany	Housing Visions Consultants, Inc.	Sheridan Hollow Village	Housing Visions Consultants, Inc. will construct an affordable mixed-use building in the City of Albany. The award will be used to construct three commercial spaces as part of a larger initiative to redevelop Sheridan Hollow as a mixed-income, mixed-use sustainable community in Albany.	HCR	\$200,000
18634	Albany	Retronix International Inc.	Fabrication and Equipment Training	Retronix International Inc. of Malta in Saratoga County will provide on-the-job training to 10 newly-hired workers in fabrication processes and equipment.	DOL	\$65,000
18019	Albany	The Arsenal Business & Technology Partnership	Arsenal Biomass Cogen	The Arsenal Business & Technology Partnership will install a new biomass fueled cogeneration plant and gas fired steam turbine to produce additional steam and electricity at the Watervliet Arsenal.	NYSERDA	\$1,000,000
19940	Albany	The Pepsi Bottling Group	Operations and Performance Training	Pepsi Bottling Group of Albany will train 250 workers in total productive manufacturing, maintenance education, and high performance work systems.	DOL	\$100,000
19632	Albany	Village of Ravena	Village of Ravena Sanitary Sewer Overflow Elimination Study	The Village of Ravena will complete an engineering report to assess options to abatement the sanitary sewer overflows in the Village.	DEC	\$19,840
19966	Albany	Yincae Advanced Materials, LLC	Assembly and Materials Training	Yincae Advanced Materials, LLC of Albany will provide on-the-job training for 32 newly-hired workers in modern assembly processes and advanced materials product packaging.	DOL	\$100,000
17649	Albany, Rensselaer	Albany Medical College	NY CAP Research Alliance Matching Grants Program	The New York Capital Research Alliance Matching Grants Program (Phase II) will create a \$1 million matching grants program for researchers at the Alliance's partnering institutions to attract and leverage federal and corporate funding.	ESD	\$500,000
17423	Albany, Rensselaer	Albany Symphony Orchestra	American Music Festival: Christopher Rouse and His American Legacy	The Albany Symphony Orchestra will present 'American Music Festival: Christopher Rouse and his American Legacy'. The program is inspired by the work of composer Christopher Rouse and his many extraordinary students. The Orchestra's American Music Festival is its most ambitious annual event. The Festival includes concerts, free public events and collaborations with student musicians.	Arts	\$75,000
16496	Albany, Rensselaer, Schenectady	Senior Services of Albany, Inc.	Meals on Wheels Culinary Training Initiative	Senior Services of Albany, Inc. will provide on-the-job training for 12 newly-hired workers in culinary skills including understanding weights and measures, prepping and batch cooking, Servsafe (a food handling safety program), food storage, equipment operation and time management.	DOL	\$52,800
17960	Columbia	Columbia Economic Development Corporation	Columbia County Value-Added Agricultural Program	Columbia County Economic Development will help four existing value added producers and processors with expansion projects in Columbia County: Hudson-Chatham Winery in Ghent; Beth's Farm Kitchen in Stuyvesant; Pampered Cow in Ghent; and Chatham Brewing in Chatham.	Ag & Mkts	\$82,200
14279	Columbia	Harlem Valley Rail Trail Association Inc.	Harlem Valley Rail Trail Planning Chatham to Philmont	The Harlem Valley Rail Trail Association will prepare the designs for the final 11 miles of the 46-mile Harlem Valley Rail Trail from its terminus at Railroad Plaza in the Village of Chatham south to Presseur Road in the Village of Philmont.	Parks	\$258,750
14806	Columbia	Shaker Museum and Library	Mount Lebanon North Pastures	The Shaker Museum and Library will acquire 61 acre north pastures. A national historic landmark located in the Town of New Lebanon. The acquisition is the next step in the museum's plan to develop an anchor cultural and tourism destination.	Parks	\$150,000
17431	Columbia	The Olana Partnership	Restoration of East Lawn Plantings and Coachman's House	The Olana Partnership will restore historic landscaping in the area that surrounds the main house at Olana State Historic Site.	Parks	\$343,000

## Capital Region

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
15286	Columbia, Rensselaer	Taconic Farms, Inc.	Animal Care Technicians Training Program	Taconic Farms, Inc. of Germantown and Rensselaer will train 50 workers.	DOL	\$6,041
15154	Essex, Warren	Town of Chester	Implementation of the Schroon Lake Watershed Management Plan	The Town of Chester, in cooperation with the Schroon Lake watershed communities and Warren County Soil and Water Conservation District, will implement recommendations from the Schroon Lake Watershed Management Plan. Project components include: construction of stormwater retrofit projects; a roadside erosion control program; a voluntary on-site wastewater treatment system pump out and water conservation program; implementation of invasive plant management strategies to control Eurasian milfoil; and Lake Stewardship programs.	DOS	\$300,000
15748	Greene	Catskill Mountain Housing Development Corporation, Inc.	Windham Willows Senior Apartments	Catskill Mountain Housing Development Corp. will renovate the Windham Willows senior housing project located at 94 Mitchell Hollow Road in the Town of Windham. The award will be used to design and construct a sewer lateral for the complex to replace an older, worn septic system.	HCR	\$100,000
17372	Greene	Catskill Mountain Housing Development Corporation, Inc.	Prattsville Homeownership Project	Catskill Mountain Housing Development Corp. will implement the "Choose Prattsville" Homebuyer Assistance Program to assist low income persons in the Town of Prattsville to purchase manufactured homes.	HCR	\$200,000
16707	Greene	Greene County	Design and Construct Historic Catskill Downtown and Waterfront Enhancements	The Village of Catskill will design and construct the Catskill Creek Walking Loop, which will serve as a connection between historic Main Street and the commercial and recreational area on the south side of the creek. The project will provide a uniform walking surface, lighting, railings, and landscaping.	DOS	\$600,000
17678	Greene	Greene County Council on the Arts	Mainly Greene: Cultural Tourism Corridor	Mainly Greene will work with partner three organizations to create a cultural tourism corridor that connects Greene County's historic communities traveling east to west along the Rip Van Winkle trail on Route 23A.	Arts	\$150,000
16246	Greene	River Street Planning and Development	Prattsville Park Improvements	The Town of Prattsville will restore two community parks devastated by Hurricane Irene in 2011, including construction of a soccer field, basketball court, playground and an open-air pavilion.	Parks	\$250,000
14959	Greene	Town of Catskill	Town of Catskill (Leeds Jefferson Heights) Sewer Expansion Engineering Study	The Town of Catskill will complete an engineering report to evaluate the extension of public sewers into the hamlets of Leeds and Jefferson Heights.	DEC	\$30,000
19154	Greene	Town of New Baltimore	Town of New Baltimore Wastewater Treatment Facility and Collection System Upgrade Engineering Study	The Town of New Baltimore will prepare an engineering report to identify upgrade options for wastewater infrastructure in the hamlet of New Baltimore.	DEC	\$24,000
16422	Greene	Town of Prattsville	Enhance Route 23 Streetscape	The Town of Prattsville will undertake a multi-component project to enhance and revitalize the Route 23 (Main Street) streetscape, which was devastated by the flooding from Hurricane Irene in August 2011. The project advances priority projects identified in the Town's Long Term Recovery Strategy, and includes design of streetscape infrastructure, pedestrian facilities, and stormwater improvements.	DOS	\$200,000
19354	Greene	Village of Catskill	Village of Catskill Sewage Pump Station Engineering Study	The Village of Catskill will complete an engineering report to explore options to upgrade the Village sewage pumping station located on NYS Route 9W, north of the Main Street overpass.	DEC	\$30,000
19814	Greene, Columbia	Bioenergy Project Partners	Clean Tech Bioenergy Heating Development Project	Installation of high efficiency wood pellet boilers at three sites in the Capital Region: Cairo Durham School, Dimensional Hardwood and Solaqua Arts. This project will support the creation of local jobs in the boiler manufacturing industry and development of bulk wood pellet distribution infrastructure in the Capital Region.	NYSERDA	\$600,000

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
18543	Greene, Columbia, Albany	Thomas Cole Historic House	Hudson River School Art Trail	The Thomas Cole Historic House's 'Hudson River School Art Trail' will bundle together sites and attractions that are thematically related to the Hudson River School of landscape painting.	Arts	\$50,000
15496	Greene, Columbia, Albany, Rensselaer	Albany Convention & Visitors Bureau	Hudson Valley tourism Marketing	Hudson Valley Tourism, Inc. was awarded a grant to highlight the historic, cultural, food and great outdoors that the Hudson River Valley has to offer its visitors and residents and business traveler.	ESD	\$300,000
17620	Rensselaer	Albany Molecular Research, Inc.	Expansion for Diagnostic Imaging Agent	Albany Molecular Research, Inc., will undertake a \$3.5 million capital expansion to improve operational efficiency and manufacture a new product.	ESD	\$200,000
15183	Rensselaer	American Labor Studies Center	Kate Mullany National Historic Site Restoration	The American Labor Studies Center will complete the restoration of the Kate Mullany National Historic Site to support tourism and the economic revitalization of Troy.	Parks	\$179,790
16280	Rensselaer	Capital District Community Gardens	The Urban Grow Center	The Capital District Community Gardens (CDCG) will use GIGP funds to implement a green roof, porous pavement, bioretention, and rainwater harvesting and reuse at their new Urban Grow Center. The project will enable CDCG to expand its use of agriculture to address the universal need for healthy food as a tool for improving the economic, physical and social well-being of the Capital Region.	EFC	\$196,347
16608	Rensselaer	City of Rensselaer	Green Streets Program Implementation Phase 1	The City of Rensselaer will use GIGP funding to expand the scope of the Washington Avenue and Columbia Turnpike road/infrastructure reconstruction projects to include permeable pavement, stormwater tree pits, stormwater planters, drainage swales and other innovative green stormwater practices to reduce runoff and improve water quality.	EFC	\$850,541
17314	Rensselaer	City of Troy	Riverfront Park Access Improvements and Connections	The City of Troy will build on recent improvements to the Riverfront Park area by creating linkages to the nearby Restaurant District and creating an additional access point to the park from downtown. The project will further implement the Riverfront Park Master Plan and enhance pedestrian circulation and connections.	DOS	\$562,803
18592	Rensselaer	Green Renewable Inc	BioMass Industrial Park and Clean Energy Distribution Center	Green Renewable, Inc. will make productivity improvements to its facility for producing and packaging kiln-dried firewood, boiler chips, and landscape products. Green Renewable will invest \$12 million and create 35 new jobs.	ESD	\$550,000
17492	Rensselaer	Independent Living Center of the Hudson Valley, Inc.	Wheelchair Accessibility Project	The Independent Living Center of the Hudson Valley, Inc. will replace an elevator in its 15-17 Third Street facility in the City of Troy.	HCR	\$150,000
19811	Rensselaer	Rensselaer Polytechnic Institute	Research Facility	Rensselaer Polytechnic Institute will develop a shared-use laboratory facility in the Rensselaer Technology Park Campus. An existing facility located within the Tech Park will be acquired, updated and renovated for use by collaborating academic and industry research groups, supporting the regional research initiatives and alliances.	ESD	\$200,000
15673	Rensselaer	TAP, Inc.	Renewal Uptown Troy	TAP, Inc. will rehabilitate five city-owned buildings to prepare for sale in the City of Troy.	HCR	\$135,000
18601	Rensselaer	Town of East Greenbush	Town Park Water Quality Remediation Planning	The Town of East Greenbush will perform water quality testing of the Moordener Kill waterway.	Parks	\$15,000

## Capital Region

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
17899	Rensselaer	Unity House of Troy, Inc.	The Front Door	Unity House of Troy, Inc. will demolish a current building on its property and construct a new facility in the City of Troy. The award will be used for construction costs of the new building.	HCR	\$200,000
17299	Rensselaer	Village of Hoosick Falls	Village of Hoosick Falls Engineering Study	The Village of Hoosick Falls will complete an engineering report to evaluate the upgrade and replacement of a sanitary sewer main and at least three manholes in the Village.	DEC	\$24,500
16015	Saratoga	City of Mechanicville	Railroad Station Development Project	The City of Mechanicville will stabilize and advance the adaptive reuse of their recently purchased historic Delaware and Hudson passenger rail station in the city. The project will include façade and structural stabilization measures recommended in the recent engineering evaluation completed by the city's engineers.	Parks	\$100,000
18248	Saratoga	City of Saratoga Springs	Waterfront Park	The City of Saratoga Springs will develop Waterfront Park, a 3.9-acre waterfront property on Saratoga Lake. The park will provide the only public access to the Lake in the City and will include a playground, picnic alcove, recreational green, scenic overlook, beach, kayak launch and public restroom facilities.	Parks	\$325,000
15161	Saratoga	Free Form Fibers LLC	Recycling of high value process gases in the production and processing of energy saving ceramic fibers	R&D for the recycling of hazardous air emissions to be used as feedstock for the manufacture of ceramic fibers.	ESD	\$100,000
17663	Saratoga	Natural Heritage Trust	Saratoga National Park Hudson River Boat Launch	The National Heritage Trust will provide docking and other infrastructure on the Champlain Canal for waterfront access to the Saratoga Historic National Battlefield.	Canals	\$55,000
15422	Saratoga	The Corporation of Yaddo	Yaddo Exterior, Stabilization and Restoration	The Corporation of Yaddo will complete the initial phase of the repainting of the mansion's exterior. This mansion, and in particular its exterior, is an integral part of the popular Yaddo Gardens, open to the public and experienced by over 50,000 visitors annually.	Parks	\$50,000
18482	Saratoga	Town of Clifton Park	Ferry Drive Gateway Structure Improvement Project	The Town of Clifton Park will provide multi-purpose visitor access to numerous unique sites and locations along the Mohawk River and the Old Champlain Canal route in Clifton Park.	Canals	\$75,000
18684	Saratoga	Town of Halfmoon	Champlain Canalway Multiuse Trail	The Town of Halfmoon will use funds for the final design and construction of a new multi-use Champlain Canalway Trail segment.	Canals	\$132,500
16114	Saratoga	Town of Stillwater	Preparation of Town of Stillwater Local Waterfront Revitalization Project	The Town of Stillwater will develop a revitalization strategy for its Hudson River waterfront area to advance hamlet revitalization and enhance public access to the river.	DOS	\$37,500
19149	Saratoga	Town of Waterford	Waterford Canal Harbor and Visitor Center	The Town of Waterford will make needed repairs in and around the Canal Harbor Visitor Center resulting in energy efficiency improvements, technology advancements and customer service upgrades.	Canals	\$76,000
18020	Saratoga	Village of Corinth	Village of Corinth Wastewater Upgrades Engineering Study	The Village of Corinth will complete an engineering report assessing the existing wastewater collection and treatment system and upgrades to the equipment and electrical systems.	DEC	\$30,000
15544	Saratoga, Washington, Albany, Rensselaer, Greene, Columbia	Hudson River Valley Greenway	Hudson River Valley Greenway Project	Greenway Heritage Conservancy HRV, Inc. was awarded a grant to promote access to the Hudson River and tourism in the Hudson River Valley and it's National Heritage Area. The Hudson River Greenway Water Trail is a tourism attraction destination.	ESD	\$90,000

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
16825	Schenectady	Mohawk Resources	Mohawk Lifts	Mohawk Resources will expand its facility to manufacture large vehicle lifts, and invest \$7.5 million and create 6 new jobs.	ESD	\$300,000
18342	Schenectady	Schenectady County Department of Economic Development and Planning	Bike Hike Trail Reconstruction	Schenectady County will reconstruct approximately two miles of existing Erie Canalway multi-use trail in the Town of Rotterdam, including historic and environmental signage and a handicapped accessible water fountain.	Canals	\$50,000
18935	Schenectady	Schenectady County IDA	Rotterdam Multimodal Center	The Schenectady County IDA will use funds to support the expansion of Raillex , a growing national transportation logistics and distribution company, which will construct a new facility.	ESD	\$1,000,000
19647	Schenectady	Schenectady Metroplex Development Authority	Transfinder NYBizlab	Transfinder NYBizLab, a growing local technology company, will expand into additional space in downtown Schenectady and create the NYBizLab, a business accelerator targeted to technology start-ups.	ESD	\$150,000
16369	Warren	Ames Goldsmith Corp	High Nitrate Demonstration Project	A one half mile direct pipeline from the Ames Goldsmith Corp. facility to the City of Glens Falls Wastewater Treatment Plant will be constructed. The project will connect Ames Goldsmith with secondary tanks at the city's waste water treatment plant.	ESD	\$465,000
16698	Warren	City of Glens Falls	Implementing the Pruyn's Island Redevelopment and Connection Plan	To implement the draft Pruyn's Island Master Plan, the City of Glens Falls will prepare preliminary designs for a waterfront promenade; identify improvements to manage stormwater runoff; evaluate redevelopment opportunities and enhancements for the Feeder Canal; identify funding opportunities for the relocation and redevelopment of the Finch Paper wood yard facility; prepare new zoning design guidelines; and design and construct gateway enhancements along Murray Street.	DOS	\$154,500
17783	Warren	City of Glens Falls	City of Glens Falls Wastewater Engineering Study	The City of Glens Falls will prepare an engineering report focused on evaluating correcting major sewer deficiencies, including reconstruction of sanitary and storm sewers on Platt Street.	DEC	\$30,000
17499	Warren	Davidson Brothers Inc.	Brewery Expansion Project	Davidson Brothers, Inc., will expand by replacing current production from a brewery in Maine with the construction of a 50-barrel brewing system in Glens Falls.	ESD	\$50,000
17407	Warren	Glens Falls Industrial Development Agency	Hudson Avenue Parking Structure to Support Downtown Revitalization	The Glens Falls Industrial Development Agency will assist in the construction of a 400-500 car parking garage that will complement a proposed \$24 million mixed use development in the city center.	ESD	\$500,000
18692	Warren	Hacker Boat Company Inc.	Facility expansion	Hacker Boat Company will expand its current facility to meet demands for manufacturing larger boats.	ESD	\$600,000
17275	Warren	The Hyde Collection	Modern Nature Georgia O'Keeffe Lake George Exhibition Catalogue and Program Season	The Hyde Collection will present and promote the exhibit 'Modern Nature: Georgia O'Keeffe and Lake George'; an associated catalog; and a regional program season.	Arts, ESD	\$137,201

## Capital Region

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
16867	Warren	Town of Lake George	Green Gateway Improvements	The Town of Lake George Gateway Improvement Project will use GIGP funding to combine Complete Streets design with green infrastructure practices such as porous pavement, bioretention, and stormwater street trees to improve water quality, pedestrian safety, and walkability, a gateway to the Lake George Region.	EFC	\$544,500
16869	Warren	Town of Lake George	Preparation of a Community Revitalization Strategy for the Town of Lake George	The Town of Lake George will prepare a Community and Waterfront Revitalization Strategy to address land use, economic development, water quality, preservation, and sustainability issues.	DOS	\$37,500
15558	Warren	Village of Lake George	Improvements at Charles R Wood (Lake George Environmental) Park	The Village of Lake George, with project partners, will construct elements of the Charles R. Wood Park (Lake George Environmental Park) including: a children's adventure play area; skateboard park; interpretive elements; primary park entrance; signage; and sidewalks connecting to the Beach Road and the Warren County Bike Path.	DOS	\$750,000
18645	Warren	Village of Lake George	Reconstruction of Public Docks	The Village of Lake George will reconstruct public docks along Beach Road destroyed during Hurricane Irene in September 2011. The construction will include a permanent pile dock system, which is a more robust structure requiring much less maintenance.	DOS	\$170,166
15433	Warren	Warren County	Implementation of the First Wilderness Heritage Corridor Action Plan	Warren County, in partnership with the communities along the Upper Hudson River and Delaware & Hudson rail line in Saratoga and Warren counties, will advance recommendations of the First Wilderness Heritage Corridor Action Plan. Project components include: design of a new train station in the Village of Corinth; restoration of the historic bandstand in the Town of Warrensburg; and design of a new waterfront park on a 3.5 acre former Brownfield site in the Town of Warrensburg.	DOS	\$308,000
17916	Warren	Warren County	Warrensburg Health Center	Warren County, in conjunction with the Hudson Headwaters Health Network (HHN), will supplement \$7.1 million of grant and HHHN funds for construction of a new regional health care facility in the Warren County Hamlet of Warrensburg.	HCR	\$400,000
19004	Warren, Washington, Essex	Lake George Watershed Coalition	Lake George Water Quality Assessment and Management	The Village of Lake George, with project partners, will conduct Stream Corridor Water Quality Monitoring for water quality and morphology; incorporate improved knowledge of stream morphology; assess effectiveness of existing stormwater management and control including the West Brook Stormwater Control project; restore stream corridors; and provide outreach and education to improve operation of on-site wastewater treatment systems.	DOS	\$390,000
19382	Warren, Washington, Saratoga	Warren Washington ARC	WWARC Expansion	Warren and Washington Counties ARC will expand operations by constructing a community kitchen & cafeteria at their Queensbury Headquarters to be used as training site and for storage and distribution of agribusiness products from businesses in Washington, Warren, and Saratoga counties.	ESD	\$125,000
19617	Washington	GLV USA Inc	Stainless Steel Foundry	GL&V USA, Inc., which re-manufactures and services machinery and equipment for the pulp and paper industry, will expand operations by installing stainless steel casting capability at their Hudson Falls facility. GLV USA will invest \$2.7 million and create 11 new jobs.	ESD	\$350,000
15425	Washington	Village of Fort Edward	Depot District Redevelopment Program	The Village of Fort Edward will replace 2,025 linear feet of dilapidated water lines in the Depot District of the Village.	HCR	\$600,000

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
18580	Washington	Village of Fort Edward	Canal Street Farmers Marketplace Project	The Village of Fort Edward will redevelop an historic Canal building for use as a permanent location of a regional farmers' market. The Old Champlain Canal Barn, which was built in the 1880's and has been used by the Department of Public Works for storage over the last 50 years, will be redeveloped as Canal Street Farmers Marketplace, which will include retail space for agricultural goods produced in Washington, Warren and Saratoga counties.	Canals, DOS	\$243,493
17943	Washington	Village of Hudson Falls	Hudson Falls Neighborhood Water Service Line Replacement Program	The Village of Hudson Falls will replace 2,520 linear feet of severely deteriorated and undersized waterlines, including lateral connection replacement for up to six low-and moderate income households.	HCR	\$570,000
			Low Cost Economic Development Financing	Federal Industrial Development Bond (IDB) Cap will be made available for state and local government issuers to sell tax-exempt bonds for eligible economic development, infrastructure and community revitalization efforts.	ESD	\$8,500,000
			Excelsior Jobs Credits	Excelsior Jobs Program tax credits will be reserved for future projects including business investments in targeted industries that are within the region and that create or retain jobs, create capital investment and are consistent with the Strategic Plan.	ESD	\$3,200,000
