

Thank you for such a wonderful summer season and for all of your support throughout the year. Jennifer and I are grateful for such a caring Community. We are both doing well with our challenges. Many of you have asked us about our Post Office and how to help keep it open. My best advice is to use it as much as possible...buy stamps from us, send out correspondence. We hope you have a warm, safe and happy winter. We look forward to your return in the Spring.
